

April 2008

Dear RT or XT Program Directors:

The California Society of Radiologic Technologists would like to offer all new student members who join CSRT during our Membership Drive, between April 15, 2008, and September 30, 2008, a free copy of the new *Merrill's Pocket Guide to Radiography, 6th Edition*. Those students will get the pocket guide, which normally retails for \$32.95, plus shipping, free. Any technologists or XTs recruited during the drive will have their choice of the pocket guide or a \$25 VISA gift card as a special gift from CSRT.

In addition, your school will get credit for all new students, technologists, XTs, who are recruited by your school during the Membership Drive. The school recruiting the most new members to CSRT will be awarded \$1000. The second and third place schools will receive \$500 and \$250 respectively. Please use the enclosed membership application, on which you will need to enter your school name and California school identification number. All forms need to be mailed with membership dues to the CSRT office at the address below. Anyone joining using a credit card at the website should mail or fax the paper application to the CSRT office, as the application requests additional information that we need. The office will match the two documents to ensure proper credit to the program.

Please distribute the enclosed flyer and special membership applications. If you have any questions, please feel free to contact the CSRT office at the phone number below.

Sincerely,

John Radtke, MA, BSRT, RTR, RTN, CNMT
CSRT President
